ACCOMPANYING YOU: Aladin Wanblee Ska (White Eagle) - medicine man from Switzerland (Helvetia) and speaker of the international Elder Council (*Lakota family / guardian of the Channupa prayer pipe*) / Visions Circle leadership / Inipi + Temazcal leadership (sweat lodge) - serves as a light channel for initiations of the sacred medicine wheel / guardian of medicinal and master plants / healing circles for over 20 years

Initiation Sananga (eye and pineal gland cleansing) + support in the cleansing work. With several years of experience with sound and frequency healing + family constellations + medicine circles from the Amazon

Initiation Kambo (frog medicine) - after an intensive vision search in 2018, the spiritual input came to get in touch with Kambo. Which began and became apparent after an intensive inauguration in 2019. I visited several medicine men and women from the learning field of Peru and Colombia. I got to know frog medicine intensively during my stay in Costa Rica for several months. Since then I got the call to share this medicine and the grateful task of supporting people with Kambo in the healing process with a good team
